Subject: Proclamation of the *Building Better Communities and Conserving Watersheds Act, 2017* changes to the land use planning and appeal system

We are writing to provide an update on the *Building Better Communities and Conserving Watersheds Act, 2017*, which was passed by the Legislature on December 12, 2017.

In Effect Date

The changes the Act makes to the land use planning and appeal system will come into effect on April 3, 2018, as specified by proclamation.

This includes changes to:

- establish the Local Planning Appeal Tribunal (the Tribunal) as the province-wide appeal body for land use planning matters;
- improve the hearing process at the Tribunal;
- establish the Local Planning Appeal Support Centre to provide legal and planning support services to eligible Ontarians for matters before the Tribunal;
- limit the Tribunal's ability to overturn municipal decisions that adhere to municipal official plans, provincial plans and the Provincial Policy Statement;
- give municipalities more control over local planning, resulting in fewer decisions being appealed; and
- shelter certain major planning decisions from appeal.

These changes are in response to the province-wide consultation undertaken as part of the [Ontario Municipal Board Review](#).

Regulations

To facilitate implementation of the *Building Better Communities and Conserving Watersheds Act, 2017*, several new and amended regulations have been proposed.

Proposals for the regulations under the Act were posted on Ontario's Regulatory and Environmental Registries for a 45-day public consultation period from December 7, 2017 to January 21, 2018.

We anticipate providing you with an update on the proposed regulation changes and finalized approach to transition in the near future.

Questions

If you have any questions about the changes to the land use planning and appeal system, please email OMBReview@ontario.ca.

Sincerely,

Laurie Miller, Director
Provincial Planning Policy Branch
Ministry of Municipal Affairs

Mariela Orellana, Director (Acting)
Agency and Tribunal Relations Branch

Provincial Matters

A draft amended Blue Box Program Plan was not submitted to the Ministry of Environment and Climate Change by the February 15th deadline, citing that more time was needed. For more information, contact dgordon@amo.on.ca.

The Provincial government is consulting about a new social housing modernization framework. Public comments will be accepted up until April 30, 2018. For more information and to respond to the consultation, visit the [Ministry of Housing website](#).

Under the recently announced *Aging with Confidence: Ontario's Action Plan for Seniors*, the provincial government has committed to an expansion of long-term care beds across the province over the next decade. The Ministry of Health and Long-Term Care is accepting applications until Friday, March 2, 2018. For more information and to receive an application package, email the ministry at LTCHomeRenewalBranch@ontario.ca

Eye on Events

Conference Early Bird Rate ends March 2nd - don't wait too long to register for the 2018 AMO Annual Conference. Download the registration form today, and take advantage of the early bird registration rates for the AMO AGM & Annual Conference. See you in Ottawa, August 19 - 22, 2018.

Are you a municipal supplier or vendor? Do you have a product or service that would benefit the municipal sector? Then don't miss out, register today for the AMO Annual Conference Exhibit Hall. One of the largest municipal trade shows in Canada, the show is already 55% sold out.

What's the risk of a special event in your community? How do you plan for the unknown? What can you do when an event goes 'viral'? Special events are an important part of your community calendar. Join us

online on March 21, 2018 for a free one-hour webinar that explores what could happen and what you can do to prepare. [Register today](#).

Social media is both powerful and dangerous in times of crisis. Information travels quickly and while it allows emergency responders and municipalities to keep their communities up to date with accurate information, it can just as easily create confusion and add to the chaos. We'll guide you through how to prepare for and use social media as part of your emergency communications plan, learning from real-life examples, and give you strategies to respond effectively under pressure. [Register today](#) for this one-hour webinar on March 14 from 12 to 1 pm.

RESOLUTION

The Council of the Corporation of the City of Cornwall

Resolution number: 2018-01
Date: January 22, 2018

Ask Ontario to Better Promote and Support Remediation of Contaminated Properties in Urban Centres

WHEREAS Communities across the province have many abandoned and polluted former dry-cleaning and gasoline-dispensing sites that are concentrated in downtowns and high traffic areas such as street corners;

Communities across the province are struggling to redevelop and revitalize those sites but are severely challenged in their efforts due to the cost of revitalization and the risk of encountering unforeseen contamination that is beyond that anticipated to be present in identified brownfield sites;

The financial resources available to developers through CIP programs are stretched to the limit, and steep up-front costs reduce the attraction of tax-increment funding policies, which are in fact taxpayer-funded mechanisms whereby residential ratepayers pay for the remediation of commercial properties;

Under current property assessment rules, commercial property owners who contaminate their own properties are able to appeal and receive a lower assessment based on that contamination;

In many instances, a corporation responsible for the degradation of a site abandons the site and moves to a new site within the same municipality, without assuming any financial responsibility for cleanup, and with lower taxes on the abandoned property due to the contamination;

It is necessary to take legislative action to spur intensification and remediation of brownfield sites that occupy valuable urban spaces in the hearts of many communities;

A comprehensive and progressive polluter-pay environment should include policy tools at the provincial and municipal levels that can be used to require a party responsible for introducing contaminants into a shared municipal space environment to remediate that contamination.

THEREFORE, we request the Ontario Government to implement reforms that would encourage the remediation of abandoned contaminated properties and that would provide municipalities with more tools to encourage that remediation, including,

1. Amendments to the *Environmental Protection Act* that extend the circumstances under which a record of site condition is required in respect of a contaminated site, or that otherwise require the remediation of abandoned contaminated properties; and
2. Amendments to the *Municipal Act* that enable municipalities to levy taxation on abandoned properties at rates high enough to encourage remediation and build the resources for effective tax-increment funding programs.

I, Manon Levesque, City Clerk for The Corporation of the City of Cornwall, do hereby certify that the above is a true copy of Resolution Number 2018-01 enacted by Council on Monday, January 22, 2018.

Manon Levesque

Toronto, Ontario M7A 1W3
Via email: NDesRosiers.mpp@liberal.ola.org

Dear Premier Wynne and Minister Des Rosiers:

On February 28, 2018 the Council of the Municipal Corporation of the County of Renfrew passed the following resolution:

WHEREAS approximately 6,900 people in Renfrew County are directly or indirectly employed by the forest sector and many of our communities are highly reliant on the local forest industry;

WHEREAS approximately 30% of the productive forest land base on Crown lands in Renfrew County has some form of species at risk restriction on regular operations;

WHEREAS Crown forests are sustainably managed according to the *Crown Forest Sustainability Act* (CFSA). Species at Risk and all other forest values are protected using the best available science, and economic and social values should be weighted with equal importance;

WHEREAS it is desirable to allow forest managers and companies to continue to provide for species at risk under one Act, the CFSA, while an independent panel develops a long-term approach that protects species at risk and their habitat and minimizes impacts to the forest industry;

THEREFORE BE IT RESOLVED THAT the County of Renfrew asks that the Province provides the forest sector with the certainty it needs to invest in the future, through a 5-year extension in Section 22.1 of the *Endangered Species Act, 2007* instead of the proposed 2-year extension;

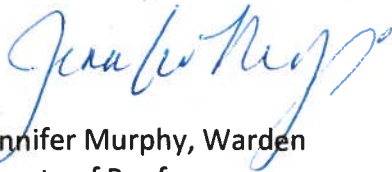

AND FURTHER BE IT RESOLVED THAT the County of Renfrew supports the establishment of an independent panel of credible stakeholders directly affected in their day-to-day lives by the management of Crown land forests who will look at the facts of the matter to come up with a long-term solution;

AND FURTHER BE IT RESOLVED THAT these decisions be made in a timely manner and shared before March 30, 2018;

AND FURTHER BE IT RESOLVED THAT the County of Renfrew circulate this resolution to the Premier of Ontario, the Minister of Natural Resources and Forestry, MPP John Yakabuski, Ontario Forestry Coalition, Ontario Forest Industries Association and all municipal councils of Ontario requesting that they endorse and support this resolution and communicate their support to the Ontario government.

The County of Renfrew recognizes that our communities, like many others in rural and northern Ontario, are dependent on the forest sector and have been impacted by the *Endangered Species Act* since its inception in 2007. We look forward to improvements to the Act that will lead to a better future for local businesses, communities and all species in the forests that surround us.

Yours sincerely,

Jennifer Murphy, Warden
County of Renfrew

Subject: WPSHC/Municipal biannual meeting
Date: February 22, 2018 3:53:11 PM

To Mayor and Council,

The Board of West Parry Sound Health Centre seeks to meet twice annually with senior municipal staff and elected council members in order to share information about the provision of health care services in our community.

On behalf of Board Chair Tom Shultz, I offer this invitation to send representatives to a meeting at 7 p.m. on Monday, April 30, 2018 in the boardroom at WPSHC.

As always, please contact my office directly at any time if you have an inquiry about our programs and services.

Thank you for the leadership you and your council are providing for all of the communities we are together privileged to serve.

Please help us plan for this meeting by providing your RSVP to Nicole Murphy at nmurphy@wpshc.com

Sincerely, Donald

To Mayor and Council:

As CEO of West Parry Sound Health Centre and Lakeland Long Term I believe it is mutually beneficial to annually visit each of the elected councils in West Parry Sound. My purpose is to share timely information on the state of health care in our community and I am frequently accompanied by board representatives and other staff members who are able to provide their own insight on our projects and priorities.

I am attempting to schedule these visits through the spring months of April and May. I seek your cooperation in having my office arrange a time that is convenient for your schedule and upcoming agendas. If you are agreeable to my offer, a municipal staff member can correspond with my office in order to schedule a deputation or meeting in committee.

Please contact Nicole Murphy - nmurphy@wpshc.com or 705 746-4540 extension 4132.

Thank you for your consideration.

Donald Sanderson

Subject: Pool
Date: February 21, 2018 2:27:07 PM

Could you please forward this to council so that it is on record.

Unfortunately I was unable to come to meeting when it was decided to send someone to pool committee and completely forgot about meeting last night.

For the record I am against the pool. If headway doesn't seem to be happening within the 1st few months I think our representation should be pulled as there is little value for money and we are just beating a dead horse.

Questions that need to be answered are cost to build, cost to run and cost to maintain. I would also like to know what other communities that have a pool charge for memberships/per time use and how many of these memberships were sold the 1st year and how many were sold maybe 5 years later as well as current membership.

In the old figures there was a number being used as \$13/year per person, I think this was the ongoing cost to tax payers. I was unclear if this was per registered voter or divided by total population. If it was by population how are my grandkids going to cover this debt years before they can even start earning money?

If there truly is a huge number of people in favor of the pool, then it should be no problem for there to be a requirement of at least 70% of operating cost to be covered by pre sales of memberships with all ongoing costs to be covered by membership. If membership won't cover operations then it isn't a viable endeavor .

CORPORATION OF THE TOWNSHIP OF MCKELLAR

BY-LAW NO. 2018-10

**Being a By-law to Confirm the Proceeding of Council of the
Township of McKellar**

WHEREAS Section 5 of the *Municipal Act, 2001, S.O. 2001, c.25 as amended*, provides that the powers of a municipality shall be exercised by its Council; and

WHEREAS, Section 9 of the *Municipal Act, 2001, S.O. 2001, c.25 as amended*, provides that a municipality has the capacity, rights, powers and privileges of a natural person for the purposes of exercising its authority under the Municipal Act or any other Act; and

WHEREAS Section 5(3) of the *Municipal Act, 2001, S.O. 2001, c.25 as amended*, provides that a municipal power, including a municipality's capacity rights, powers and privileges under Section 9 of the Municipal Act, 2001, S.O. 2001, c 25 as amended, shall be exercised by by-law unless the municipality is specifically authorized to do otherwise; and

WHEREAS it is deemed expedient that the proceedings of the Council of the Corporation of the Township of McKellar at this Session be confirmed and adopted by By-law.

NOW THEREFORE the Council of the Corporation of the Township of McKellar hereby enacts as follows:

1. **THAT** the actions of the Council of the Corporation of the Township of McKellar at its meeting held on March 5, 2018 in respect to each resolution and each action passed and taken by Council at the meeting, are, except where the prior approval of the Ontario Municipal Board is required, hereby adopted, ratified and confirmed as if the same were expressly embodied in this By-law.
2. **THAT** the Reeve, or in his/her absence the Acting Reeve, and the proper officials of the Corporation of the Township of McKellar are hereby authorized and directed to do all things necessary to give effect to the said action of the Council of the Corporation of the Township of McKellar during the said meeting referred to in Section 1 of this By-law.
3. **THAT** the Reeve, or in his/her absence the Acting Reeve, and the proper officials of the Corporation of the Township of McKellar are hereby authorized and directed to execute all documents necessary to the action taken by this Council as described in Section 1 of this By-law and to affix the Corporate Seal of the Corporation of the Township of McKellar to all documents referred to in said Section 1.

READ a FIRST and SECOND time this 5th day of March, 2018.

Reeve

Clerk

READ a THIRD time and **PASSED** in **OPEN COUNCIL** this 5th day of March, 2018.
