March 23, 2020

Message from Peter Hopkins, Mayor of the Township of McKellar to the Citizens of McKellar - Covid 19

Council and staff hope you are all keeping safe and taking the necessary precautions to avoid the serious pandemic - Covid 19.

On March 12, 2020, we closed the office, the community centre, the library and cancelled all meetings, special social gatherings and recreational programs and events until further notice. Staff can still be reached by phone. We will resume normal operations as soon as it is deemed safe to do so.

Our McKellar CEMC (Community Emergency Management Committee) consists of Mayor Peter Hopkins, Clerk Administrator Tammy Wylie and Community Emergency Management Coordinator Fire Chief Ed Bier. Ed meets regularly with his area counterparts to ensure we are all working together to keep our community and area safe and prevent the spread of Covid 19.

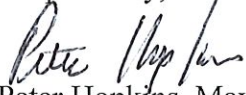

We continue to have meetings with our WPS Health Centre team to ensure we are all aware of proper precautions to take, where you can get updated and accurate information, what to do if you have Covid 19 symptoms and what preventative steps you can personally take to keep yourself safe.

Please check our Municipal, WPSHC, North Bay District Health Unit websites or google COVID 19.

Council will continue to pursue ways to assist members of the community during this crisis. More information will follow as it becomes available.

On behalf of the Township of McKellar, thank you for doing your part in these challenging times.

Respectfully,

Peter Hopkins, Mayor
